

Allegheny County Health Department Immunization Regulations:

All Grades K-12:

- ❖ 4 doses of **DTP,TD,DT vaccine** (*one dose must be on or after the fourth birthday*) 3 doses if started after 7 yrs of age
- ❖ 3 doses of **polio vaccine**
- ❖ 3 doses of **hepatitis B vaccine**
- ❖ 2 properly spaced doses of **measles/mumps**
- ❖ 1 dose of **rubella**
- ❖ 2 doses of **varicella or written proof of chicken pox disease**

If you are worried about how to pay for these vaccines, the Allegheny County Health Department does offer the required vaccines free of charge. To obtain information about clinic location and times, contact the ACHD Infectious Diseases Program at (412) 578-8060.

Proof of immunization must be provided by any written record showing immunization dates. If immunization is against religious, moral or ethical beliefs, the parent must provide a signed statement explaining that belief. If immunization is not medically advisable, a physician (M.D. or D.O.) must provide a medical exemption statement.
