

SCHOOL HEALTH MANDATES

Required by the State of Pennsylvania

MEDICAL EXAMINATIONS are required to be submitted on original entry into school (kindergarten), grade 6 and grade 9.

DENTAL EXAMINATIONS are required to be submitted on original entry into school (kindergarten), grade 3 and grade 7.

GROWTH SCREENING is required every year and consists of height, weight, and BMI. This is performed by the school nurse on every student in grades K-12.

VISION SCREENING is required every year and consists of distant vision and near vision. This is performed by the school nurse on every student in grades K-12. In addition the school nurse screens kindergarten students for color vision and depth perception.

HEARING SCREENING is required for students in grades K, 1, 2, 4, 6, and 9. This is performed by the school nurse.

IF YOU OPT OUT OF HAVING THE SCHOOL NURSE PERFORM THESE SCREENINGS ON YOUR CHILD, YOU MUST SUBMIT THE FOLLOWING INFORMATION FROM YOUR PRIMARY CARE PRACTITIONER:
